WALL ART

Gone are the days of keeping a plain wall for you beloved home. Welcome wall art to your paradise and add an extra dimension of happiness. We take an immense pride in finding the veracious wall art to complement your taste. Let your walls reflect your persona, just the way a masterpiece would. Choose one from our varied yet distinctive options ranging from fine art prints, modern art decor, wall accents, or anything else that you could think of ! Be it exquisite photography or classic wall sculptures the wall art provided by us would be exactly what you expect in terms of value.

AWNINGS & CANOPIES

Awnings & Canopies are used for exterior protection against sun and rain. Its collapsible feature makes it easier to use it. Fabric structures provide cover during inclement weather, and are more economical to build and maintain than comparable masonry and wood structures. In addition Awnings and Canopies protect inside furniture, drapes and carpet from fading due to UV Rays. This non-faded fabric lasts up to seven to ten years.

WOODEN FLOORING

Give your rich taste a ravishing touch by getting wooden flooring for your residence/office. Wrapped in elegance yet durability, these ethereal floorings are effortless to maintain with regards to the daily chores of the household. While offering an assurance of being intact for years, you can count on us that the style quotient of your floor is bound to remain flawless! Nirman brings to you a versatile choice to complement any kind of decor.

Comfort, aesthetics, elegance, luxury and coziness are the minimal words that cut a long story short, when we say sofas! Bid adieu to hassle and uncomfortable sofas, as you can now sit back and relax on something that is gorgeously convenient! With your kind of size, style and fabric, what we assure you is a cent percent relaxing experience. Set yourself to curl up, grab your favorite book and that coffee mug; a ridiculously awesome contentment seeks your way!
